

Kilburn Community News

AUGUST | SEPTEMBER 24

Another fantastic Kilburn Community Day

On Saturday 1st June we celebrated our wonderful village once again. The weather was kind to us enabling us to utilise the Church Street park and carpark. There was great attendance throughout the day, with many local families enjoying the various attractions available.

Produced by the Kilburn Parish Council - Delivered by wonderful volunteers

Kilburn Parish Council

Report from Kilburn Parish Council – July 2024

The volunteers continue to work at the nature reserve (see separate article) and have assisted the Parish Council to submit 2 bids for Grants to help continue with the improvement.

It was reported that the Planning Application for Land north of Denby is currently 'on hold' to enable the Planning Board to visit the site.

The Parish Council has succeeded in obtaining a Grant from the Police Commissioner for additional Speed Indicator Devices to be installed in Kilburn. These are now on order and will hopefully be delivered & installed around September/October.

Following the Parish Council's 'Dog Waste Survey' the worst areas where dog owners are not picking up their dog faeces have been identified. A report will be published in a future edition of the Kilburn Community News.

As previously published – the structure of the annual garden competition has changed this year – when gardens needed to be nominated for entry. A short list will be formed and those gardens on the short list will be judged by the Mayor of Amber Valley Borough Council at the end of July & presentation of prizes to winners will be prior to the September meeting.

The Borough Council are to identify & line a disabled parking spot in Church St car park. The Parish Council has received numerous complaints about the work being undertaken by utility companies in Kilburn. We have sent those complaints both to Derbyshire County Council and the utility companies, however, it has been difficult to see any improvement in their working practices.

There remains a vacancy on the Parish Council – anybody interested should contact the Clerk. (clerk@kilburnparishcouncil.gov.uk)

Kilburn Parish Council meeting dates 2024 - Monday 2nd September, Monday 14th October, Monday 11th November, Monday 9th December

KILBURN COMMUNITY GROUP

We are a group of volunteers working to improve our area, currently working on Kilburn Nature Reserve/ Memorial Area.

“From little seeds grow mighty trees”

Thank you to the Brownies that are working with us, making this area, fun, bright and inviting for children, families and all to visit.

We have now got an amazing huge bug house. It is not just a happy home for Kilburn bugs to live, but also a wonderful piece of craftwork that they have jointly created. We are sure they will be receiving many badges for their achievements. There is also lots of beautifully decorated stones that have been placed around the wildflower circle and hidden around the reserve, **come and see if you can find them or visit and add your own!**

Exciting news over the coming months:

We will be welcoming our local scout group who have made amazing bat and bird boxes to replace broken ones. The edged pathway is being finished and we now have a lawn mower that was donated so we can keep the grass looking tip top. Keep an eye out for photo updates in the next addition.

Do you want to get involved in this community project? please come along:

AUGUST:

Saturday 17th 9:30am start | Wednesday 28th 6:30pm start.

SEPTEMBER:

Saturday 14th 9:30am start | Wednesday 25th 6:30pm start.

If you have any questions, please reach out using the contact details below and either Tracey, Simon or Carl will get back to you.

Contact:

Clerk@kilburnparishcouncil.gov.uk | 07989623309.

Alternatively, visit the Kilburn Nature Reserve Facebook page and leave a message.

County Councillor for Horsley Division - Cllr Trevor Ainsworth

Keeping you updated

Hi Folks.

As I sit in the office this morning and look at the glorious sunshine, I wish that I had prepared this article when it was raining for what seemed like months! Fingers crossed that Summer has finally arrived.

Do you keep poultry? New rules are being introduced to help protect the poultry industry from bird flu.

Defra (Department for Environment, Food and Rural Affairs) has confirmed that the threshold for mandatory registration on the GB Poultry Register will be reduced from 50 birds to one, and all poultry keepers will need to review their entry every year. The deadline is 1 Oct 2024.

The new rules cover owners of backyard flocks, birds of prey and pigeon fanciers, but do not affect caged pet birds (excluding any poultry species) kept entirely inside a domestic dwelling, such as a parrot, canary or budgie, which never leaves the property other than to visit a vet or another short-term period.

Here is a link to the government webpage.

www.gov.uk/government/news/new-measures-to-help-protect-poultry-industry-from-bird-flu

Or contact me with your question and I will endeavour to get you an answer. (Contact details below)

Derbyshire Local Nature Recovery Strategy (LNRS)

Local Nature Recovery Strategies are a new system of plans for nature and environmental improvement across England.

The purpose of these plans is to establish priorities and proposals to help nature to thrive and provide wider environmental benefits in the future. We are one of 48 councils across the country appointed to lead the strategy at a local level. We'll be mapping the location and condition of Derbyshire's habitats and identifying where biodiversity is in decline or limited in ecosystem value.

It was launched at a conference in January, when 120 delegates representing a wide range of organisations attended. The first task is to look at the current condition of our natural environment and what can be done to enrich it further, benefitting wildlife, boosting biodiversity, and giving habitats a helping hand.

For further information or would like to find out more about how you can get involved in the preparation of the LNRS for Derbyshire, please contact LNRS@derbyshire.gov.uk or visit the Find out more section on the Derbyshire County Council's website. Have a lovely Summer let's hope we have some well-deserved sunshine.

Kilburn Community Day

Cont. from front page.

With over 20 different Kilburn related community groups in attendance there was plenty of variety and something for everyone. The Tombola and Raffle were extremely popular in raising money for much needed maintenance of the village hall.

Given the success of this year and last years event, The Kilburn Parish Council have already agreed that Kilburn Community Day 2025 should go ahead, and be bigger and better yet again, with a purposed community BBQ and picnic. As always the priority will be ensuring that it is affordable and everyone is able to enjoy coming together without worrying about the pennies. To avoid the school holidays KCD 2025 will be held on Saturday 7th June.

A huge thanks to the countless people who put time, effort and money into this event for the village. Without their dedication the day could not happen.

The friendly bunch from Top Farm Court held a book and DVD sale

The Fire Brigade were on hand to provide fire safety advice and the fire engine for everyone to explore. Emma's Whippy was strategically placed to offer cold treats

Kilburn Baby and Toddler Group provided free games which were a hit with the little ones and some competitive big kids too!

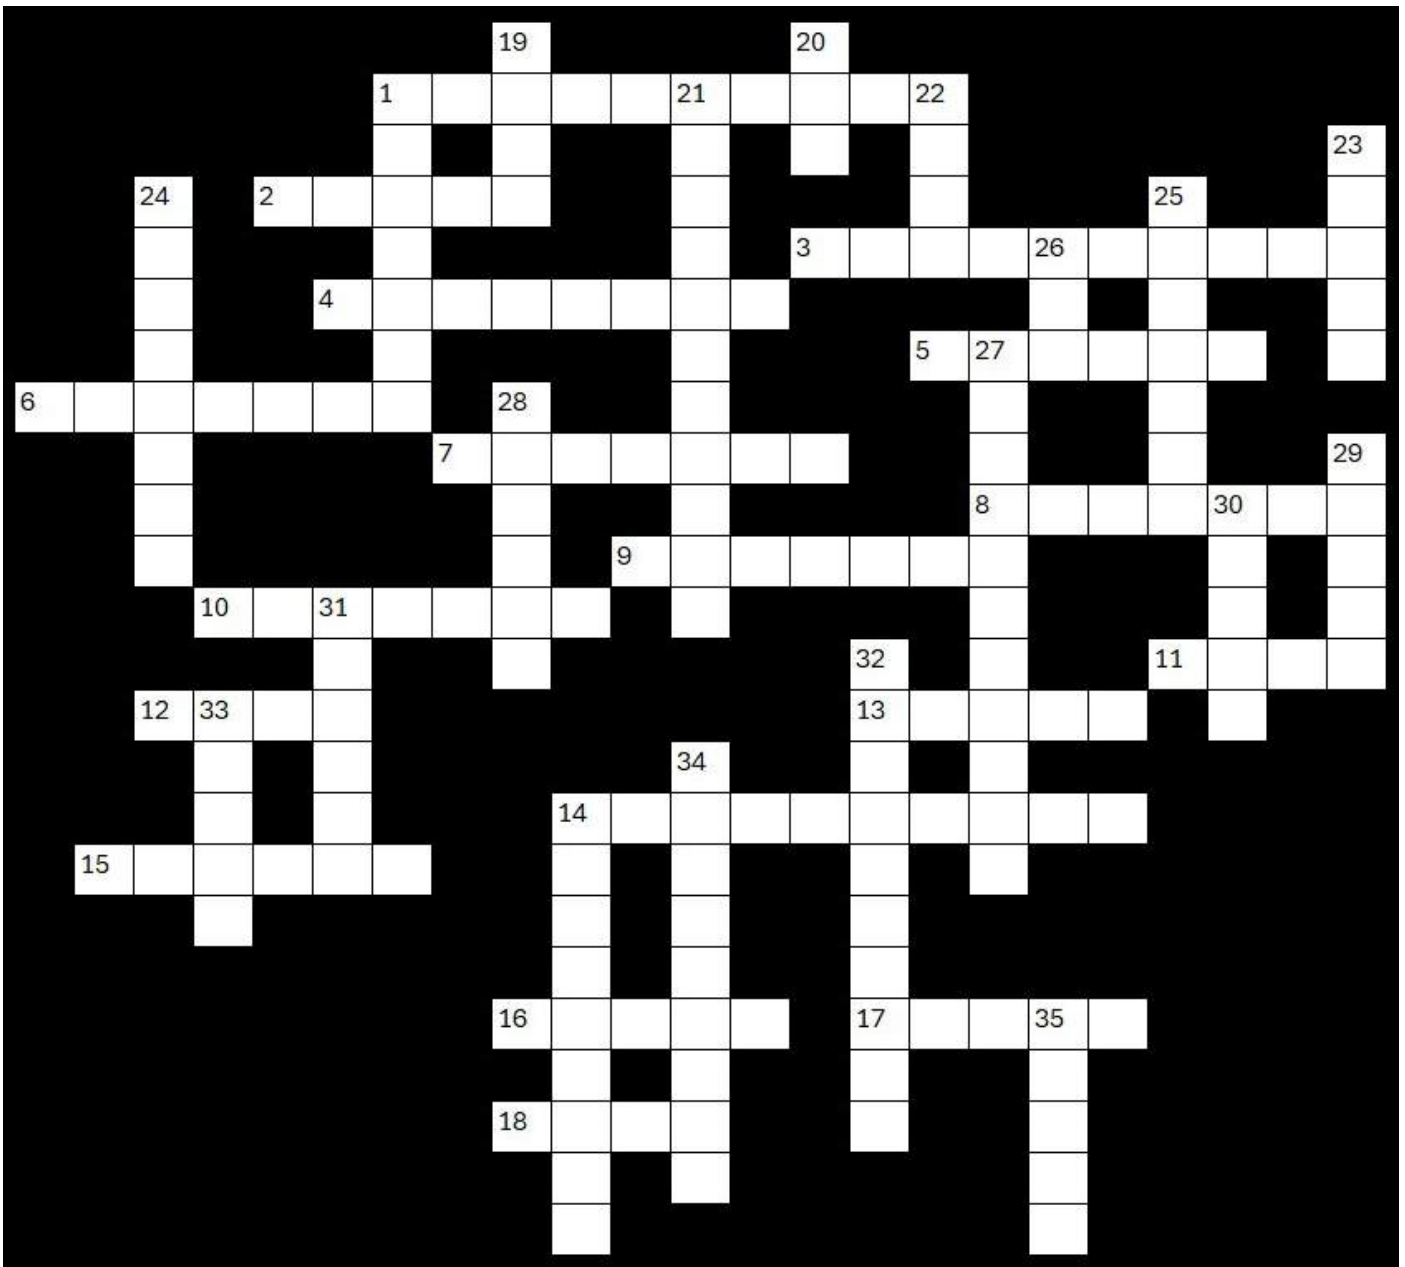

There were tigers and glitter all around with the facepainting

The lovely Chatterbox team were kept busy suppling wonderful refreshments and cakes

We look forward to celebrating the village even bigger next year!

The Kilburn Junior School Election

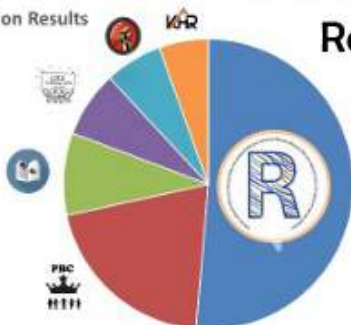

Getting in the spirit of the General Election, the children in year 6 formed political parties, wrote manifestoes and campaigned to be elected as the new governing party of the Kilburn Junior School constituency. They canvassed the electorate in a special assembly and the children of KJS appeared

in droves at the polling station, ready to make their voice heard. There was a real buzz around the school!

The votes were counted and the children of Team Endurance crunched the numbers. As you can see, voter turnout was sky-high, especially in year 3! Overall, 79% of the school turned out to vote.

Election Results

Relevant Party • PBC Party • BEST Party • CRS Party • Freedom Party • KJR Party

The results showed a landslide victory for the Relevant Party and their leader Callie, who secured a whopping majority with their manifesto pledges of a guaranteed break during the afternoon and reforms to the Magic

Breakfast that the school provides for the children.

A Visit to MAGNA Science Adventure Centre

The children of Upper School enjoyed a great day out at Magna Science Adventure Centre braving earth, fire, water and air in their pursuit of science!

They also spent time experimenting with rockets and balloons to find out how to beat the force of gravity using Newton's

third law of motion and a bit of vinegar and bicarbonate soda. It all ended with a some fun on the brilliant play area as a treat for being so fantastically well behaved!

Go Riders

Our Three of our fearless year 4 pupils took on the challenge of the Charles Hill Go Ride Competition at Charles Hill Playing Fields in Loscoe and continued to add points to their previous total and climb the Amber Valley League. Well done to Sadie, Archie and Isla for pushing themselves on such a gruelling course.

Sports Day

The boys and girls demonstrated the qualities of future Olympians in our sports day, competing in a number of events to test their speed and agility.

The morning proved a huge success and fun was had by all.

Year 5 Meet Polar Preet

The boys and girls in Year 5 enjoyed a wonderful morning at the Young People's Forest in Shipley Park where they met real-life Polar Adventurer Preet Chandi or Polar Preet as she is known. Preet, from Derby, shared her epic adventures and World Record Breaking feats with the boys and girls, who were truly inspired by her and they have now planned a series of challenges for themselves. Preet talked about the equipment she dragged through Antarctica on her 70-day adventure and challenged the children to use a harness drag tyres to simulate her sledge.

Save the Date

Upcoming events for your calendar

Community Litter Pick - Saturday 2nd November

Remembrance Sunday - Sunday 10 November

Christmas Carol Concert - Friday 13th Decemeber
